Dear Parents and Carers,

This year we would like to continue to send out letters and newsletters by email and will only send home paper copies when a consent form needs to be signed.

Families who do not have access to email can receive paper copies. The school will keep in touch with you via the following ways of communication:

Text Messages: For urgent or short notice messages e.g. club cancellations, snow closures. These will be sent to the main contact number. Please ensure that you keep us up to date with new mobile numbers

Emails: For all letters and newsletters (not including consent forms)

Website: For latest news, school calendar, event dates, backup copy of all letters, and general information for parents and carers

Therefore, please can you complete the form below and return to school so we can ensure our system is up to date. If you do not have access to the internet or do not have an email address, please state on the form below so we can ensure that you continue to receive paper copies.

Many thanks,

Julie Dyer
 Head Teacher
